MY NAME IS LIZ

ABOUT ME

The sound of happy, laughing children in my home is what I love.

I believe each child is unique and in regular discussions with parents I suit each child's needs.

Hi. I'm Liz Marsters, and I live in Forrest Hill (near Mairangi Bay/Sunnynook/Milford) with my two sons who both work full-time. I have 25 years of experience as a Home-based Educator. I am also a nurse, which include four and a half years at Starship Hospital. My interests include choir singing, Scottish Country dancing, and playing the piano.

MY LEARNING ENVIRONMENT

The sound of happy, laughing children in my home is what I love. I believe children need love, safety, boundaries and fun (just as they get at home) which in turn makes them happy and secure. Children learn through play and I offer many activities including music and dance, reading and puzzles, water play, art and craft, science, and pretend play. I have a fenced grass area plus a large deck for outdoor play.

We go on lots of nature walks, visit other educators, pet shops, parks and libraries. We also attend Playgroup and More Music, ensuring the children interact with larger groups. I also provide pre-school education for 4-yr olds.

I believe each child is unique and in regular discussions with parents I suit each child's needs. I attend regular Professional Development updates and each child has a learning journal. I look forward to welcoming children into my 'Fairy Godmothers' family.
