MY NAME IS STACEY

ABOUT ME

Kia ora my name is Stacey . I live in the beautiful gulf harbour peninsula with my husband. We have a little dog called onyx he is very friendly and likes to play with my care children. My favourite thing to do is spend quality time with my Whanau and friends. I grew up on a farm in Wellsford my whole life until I was 17 when I met my husband. I am a very caring, loving and honest person.

MY LEARNING ENVIRONMENT

I am very passionate about looking after children and guiding them through out their lives. I love seeing the growth physically and mentally within the children I care for. My in home-based childcare provides love,happiness, understanding, trust,structure,motor-skills,confidence,problem solving, gross motor-skills,imagination and most of all FUN.

Our favorite thing to do is to go out to our local beaches and parks with our picnic and toys. We also like to meet up with our lovely friends and have a great time full of laughs.

MY WHANAU

I believe that in home-based care is a learning environment that provides trust, love and respect. These learnt virtues then make everything else there is to learn fall into place and be well balanced.

I have been in home based care for the past 10 years and all of my families have become my extended whanau. I respect and value them like I do my own family. I am proud to be apart of their lives as i can support and give them knowledge and guidance as the children grow.

Bonding with the children and their families is one of the most important things within my in home-based childcare.
